First of the Panama Canal Trials for her pictures. It is hardly necessary to say that the lady did find a purchaser. to Open To-Morrow.

and M. Gustave Riffel, the distinguished en-

Charles de Lesseps has caused three English Directors of the Suez Canal Company to be summoned as witnesses in his behalf.

The indictment charges M. Charles de Les-seps, Fontane and Cottu with having employed fraudulent means to persuade people to believe in the existence of fallacious enterprises and imaginary influence or credit, thus causing divers persons to remit subscriptions that would not otherwise have been mounds, which rise five or six feet above the given for an issue of Panama Canal bonds ground. made on June 26, 1888, the defendants, by the fraudulent means thus alleged, cheating

misappropriated or expended, with a view to prejudice the interests of the bondholders, fects and money given into their charge as trust deposits for specific purposes.

M. Gustave Elffel is indicted as an accomplice in the alleged swindling operations, and is accused of having wilfully and knowingly received a share of the sums of money unlawfully procured from the public and with having wfifully and knowingly spared in the fits of the fraud. M. Fiffel is also accused of having misappropriated funds intrusted to him for the mandatory purpose of expenditure for salaried labor.

Nothing is said in this indictment as to the bribery or corruption of public officials. One of the witnesses summoned is said to be M. Lucien Napoleon Bonaparte Wyse, who In 8 months, and was a misery to myself and all claims the credit of having been the first to

is was he who, in his character as engineer, obtained from the Colombian Government the concession to carry out the l'anama Canal in the works of which he was engaged antil the final collapse. He is said to know

agreat many secrets in connection with the scandals.

Anecdotes are now rife of how leading men in the Parliament and the press were bought over. Some of them are very typical and throw a dash of humor on this gloomy record. throw a dash of humor on this gloomy record. M. Arton, the chief dispenser of the douceurs distributed, called on a leading personage whose support was deemed to be essential.

He discharged his delicate duty with exquisite tact, but was met with a stern and ment.
